

Dear Slawburger Festival Sponsor,

We are excited to announce that our fourth annual Slawburger Festival will be celebrated on April 21, 2018. The Slawburger Festival began as a way to celebrate a tradition that makes our community stand out. Our famous yellow mustard slaw that many of our restaurants serve is something Fayetteville has come to be known for.

The festival continues to be a huge success, bringing hundreds of folks to Downtown Fayetteville to visit our stores and experience our community. To make the Festival even more meaningful; thanks to the generosity of all our sponsors plus the hard work of each volunteer, this year we were able to offer \$25,000 in a matching 50/50 Facade Grant to the business/buildings owners in the Main Street designated area. This will turn into at least \$50,000 of renovations to our downtown buildings.

None of this would be possible without YOU!!! We need our sponsors and trust that you desire to help make this community an excellent place to live and share life with. Please return the enclosed sponsorship form at your earliest convenience.

Thank you in advance for your support!
